

# Treasure Barn Committee

The Trailer Estates Treasure Barn is a one-stop place to purchase items for your home. All proceeds from the sales remain in our community. The barn relies upon donations from the TE residents.

The Treasure Barn volunteers sort, price and display sellable donated items on Tuesdays. We gladly accept clothing and shoes, books, small electronics in working order, small kitchen appliances items such as toasters, coffee pots in working order, clean bedding and linens, glassware, jewelry, gift items, etc. As storage space is limited, furniture donations are limited to small sofas, chairs, tables, lamps and outdoor furniture. If in doubt, please stop by the Treasure Barn and ask a volunteer. Please note we cannot accept tires, large appliances such as stoves, dishwashers, washers and dryers and refrigerators, televisions, large sofas and sleeper sofas and any hazardous materials.

We do make donating quite easy and offer several options. You can bring donations to the barn on Tuesday mornings from 8:30 until 10:00 when the volunteers are working or on the Thursday and Saturday sale days from 8:30 until 11:00. You may also drop off your sellable items any time and leave them on the table outside of the barn. If you are unable to drop off your sellable items, we may be able to pick up your donations.

The Treasure Barn is always looking for volunteers to help with sorting and assisting with setting up and taking down on sale days. We are currently looking for someone to assist with advertising the sale days and posting items on the internet to increase our sales.

The Treasure Barn is open beginning in October through May from 8:30 until 11:00 on Thursdays and Saturdays. If you would like to volunteer or donate or have questions, please contact Barb Sewell at (941) 405-9866.

**Volunteers are  
ALWAYS needed**
