Notes from the Park Manager

Wow, the last month of Year 2023! Where did this year go?

Let's look at the things we have accomplished in the past year:

- Finished the major Bond work at the Marina
- Rebuilt the Fish House
- Replaced two heaters at the Pool with Heater/Chiller units
- Put down new floor coverings in the Pool Shower Rooms
- Hired a Park Manager (me!)
- Swapped the starting times for the Board Meetings and Workshops
- Reduced Board & Workshop Meetings from 26 to 16 per year
- Streamlined Process from Workshop to Board Meeting adoption
- Replaced 18 to 24 year-old Maintenance Carts with newer, heavier-duty, gas versions
- Seated an Enforcement Committee to determine fines for violations
- Implemented a New Spectrum TV & Internet Contract with more features at a lower cost
- FOB Renewal now on Birthday
- New FOB system to replace aging Software & Equipment
- Started implementation of a Brand-New Website with better functionality & ease of use
- Estoppel program to allow us to pre-approve purchasers and renters per our Deed Restrictions
- Large Hall Remodel Completed
- Proposal to Hire a Park Master Planner for the next 5-10 years-What should TE look Like?

One last thing, please remember to exercise your right to vote in the Referendum ballot on December 5. This moves the Trustee elections from December to March, and extends the Trustee terms to three years from two.

Merry Christmas and Happy Holidays!

Stay Well,
Lee

Please Vote on December 5, 2023 12PM to 8PM

Your Board of Trustees voted to place on the Ballot an opportunity to move the annual Trustee election from early December to early March. This will give the Seasonal Property Owners the chance to vote for their candidate(s) as many of them are still here in early March.

The Ballot question asks whether we should move the Trustee Elections from the first Tuesday in December to the second Tuesday in March of every year. The other part of the Ballot question is to make the Trustee terms all 3 years, and every year 3 Trustees are elected. This would have us "roll" 3 Trustees every year and since there are 9 Trustees, would refresh every 3 years.

We urge you to come out and vote on December 5, 2023, right here at Trailer Estates Large Hall from 12PM to 8PM. Voters must be registered property owners.

Resident FOB Renewal is Changing!

All resident FOBs renew every year on October 1st. **This year will be no exception! You will still need to come in to the office in 2023 (or 2024 if you come down late!).** When you come to the office to renew your FOB, we need your Annual Owner Information Form (PP27) filled out and complete. Once that is done, we can renew your FOB to expire on your birthday. Some of you will get a year, many will have more than a year before you have to renew your FOB again on your birthday. Sometimes it pays to be old!

From the Desk of Russell and Rod

Welcome back to our Snowbirds. It is great to see the activity pick up in the park. We have seen a lot of new people so far this year. Let's make them feel welcome to our beautiful park and help them out when we can.

Now that you are back, you need to make sure your trailers and lots are put in good shape. Is there mold/mildew on your trailer, out buildings or awnings? Do you have vegetation that needs to be taken care of? Are there other projects that need done? Doing these things makes our Park look great. With the break from the heat, more people are out taking care of their trailers. Don't forget that if you make any changes on the outside of your trailer, you need to turn in a PP33 to the ARC committee for approval.

We have a Violation Monitoring Software that has simplified our reporting and notifications of items that need to be taken care of. We ride around the park periodically with our Park Manager, Lee Morris, to check out the following items:

- Building Repairs Required
- Tall grass, weeds, or unsightly vegetation
- Mold, dirt, and/or Algae on building or fences
- Trim trees, bushes and/or shrubs
- Grass, Weeds, Vegetation in Gravel/Pavers
- Junk or Clutter on Property
- Proper ARC or County Building Permits
- Overnight parking per Rules and Regulations Part D
- Improper parking of a boat, boat trailer, travel trailer, motor home or similar item. Deed restriction #6.

If violations are reported, the property owner will receive a violation letter. After the third violation a fine could be levied.

Complaint Process

You can help the PR trustees by letting us know of a problem. We try to catch everything, but we can miss some things. You can file a complaint using PP32. Turn the form in at the office. One of us will check out the complaint as soon as possible and respond to you with our disposition of the claim. We may not be able to come up with a resolution, but we can try to direct you to someone who can help you.

Operation of a Golf Cart - Update

Effective October 1, 2023 CS/CS/HB 949 (Chapter 2023-67, L.O.F.) requires that a person operating a golf cart on a public road or street, as authorized by the responsible local government entity, must

- If 18 years of age or older, possess a form of government-issued Photographic identification; or
- If under 18 years of age, possess a valid learner's driver license or valid driver license.

County Regulation on House Numbers

House numbers must be at least 4 inches high and visible from the street. This is so Emergency Vehicles can find a location easily.

Basic Marina Information

The marina is very limited on longer size slips. If you are going to buy a boat that is over 19 feet long, **please**, call the dock master to see if we have a slip available. The Dock master has had to disappoint several people by telling them we had no place for them to dock their new boat.

Boats will only be rented slips that they fit in. For instance, if you have a boat that fits in a 28 foot slip, you will not be able to rent a 30 ft slip, if your boat fits in a 22ft slip, you will not able to rent a 26ftslip. The larger slips are for longer boats. Boats are measured from the farthest thing that sticks out on the bow to the motor in full tilt. We do not measure your boat by what it says on the registration.

If you are buying a party boat, deck boat or pontoon boat, please watch the size of the beam (width) of the boat you buy. These newer, wider boats have a hard time fitting in many of the slips without touching the sides of the decking. Please buy a boat that will give you room, on each side, to adjust with the ebb and flow of the tide.

Architectural Review Committee

If you make any changes to the outside of your home, you must first obtain an ARC APPROVAL prior to beginning work. This is for repairs and/or new work. Changes or additions to your mobile home includes but not limited to doors, windows, stairs, pavers, A/C, sheds, etc. The office can provide you with a blank Approval Form (PP33) or you may find it on the Trailer Estates website. The Architectural Review Committee (ARC) will review your completed application and approve or deny your request. The ARC will notify you upon the approval/denial.

Upon approval, an orange card will be issued and must be displayed in your window for 6 (SIX) months or completion of project, whichever comes first. Lot Surveys MAY BE REQUIRED. All permits will expire 6 (SIX) months from date of issue. The ARC has up to 30 (THIRTY) days to ACT on your request. Thank you for your help with this matter.

Seasonal Recreation Report

Welcome to December, everyone. We have scheduled an abundance of fun activities for December. Here's the rundown.

We will have two Saturday night dances this month. Taylor Taylor returns on December 2 and Bobby Stillwell will be entertaining on December 9. The doors open at 6PM and the dance begins at 7PM. If you haven't attended a dance here, we offer ice, ice buckets, and water. All dances are BYOB, and you are welcome to bring your own snacks. We are asking all residents to bring their current office-issued ID's as the volunteers will be asking for them.

On Tuesday, December 12, we welcome the Manatee Community Concert Band; they will be performing their Christmas concert. The concert begins at 7PM in the Large Hall. The Manatee Community Concert Band does not charge for this show, so we will be accepting donations at the doors for the concert band. Please be generous as these musicians volunteer their time and talent. Everyone is welcome to bring a guest to this event.

The annual Trailer Estates Christmas Party is planned for Saturday, December 16 beginning at 7PM. The Jayar Mack Band will be returning to play your favorite dance music. This is a free event for Trailer Estates residents. We will have door prizes, homemade Christmas cookies, and punch. Just like last year, residents will have the opportunity to select their tables and reserve their seating. Tickets will be offered beginning on Friday, December 1 from 11AM-1PM at the Post Office and during the Hobby Club Sale on Saturday, December 2 in the Large Hall. Additional ticket availability dates may be announced.

The Trailer Estates New Year's Eve Party will be on Sunday, December 31 from 8PM-midnight in the Large Hall. The band Yesterdayze will be entertaining. The ticket price for residents is \$10 and \$15 for non-residents. A door prize giveaway is planned. You are welcome to bring your own snacks. Tickets will be offered to residents on Friday, December 1 at the Post Office from 11AM-1PM and during the Hobby Club sale on Saturday, December 2 in the Large Hall. Tickets will be offered to the community beginning on December 2, at the Saturday Night dance and again at the December 9 dance. Just like last year, everyone will have the opportunity to select their tables and reserve their seating. Additional ticket availability dates will be announced.

Our new event, The Golf Cart Poker Run, is planned for Friday, January 12. Registration begins on Wednesday, January 3 through Friday, January 5 from 11AM-1:30PM at the Post Office. Please note that only Trailer Estates residents may register for this event. Participants will be asked to present their current office-issued ID's at registration. The cost is \$10, and participants may only purchase one hand of poker. This fun-filled event will include an after-party in the Large Hall with music and food. Everyone is invited to attend the after-party. Please check out the flyer in this month's Tribune and watch the bulletin boards for more information.

And if that isn't enough, the Saturday Night Showtimes begin on January 6 at 7PM with Rich Wilson.

With all the planned events in December, and in the future, we really need residents to volunteer. The need is greatest for the Saturday Night dances. The doors at all events will be armed, so please bring your fobs, and make sure you have your current office-issued ID's. Check the bulletin boards, the website, and channel 732 for changes to events and activities. Your participation is important

and plays a significant role in recreational planning for next year. As alwaysthank you.

Dear Trailer Estates:

Please mark your calendars and plan to attend...

THE TRAILER ESTATES ACTIVITY FAIR

Saturday, January 13, 2024

Large Hall, 9AM - 12 Noon

Trailer Estates has so much to offer. Come see!

The Art Club

The Art Club is gearing up for another great season of watercolor painting. John Guest has planned a wonderful season for us with classes from Joan Senkowicz, Sue Lynn Cotton, Jerry Chesley, Alan Berkshire, and Kris Peterson. We hope everyone is ready to join us and paint some beautiful pictures.

All the classes will be held at the Activity Building in the Art Room. Set-up begins at 12:30PM with classes starting at 1PM until 3PM. Our first class will be on Thursday, January 4, with Joan Senkowicz teaching her "Get Your Feet Wet with Watercolor" introductory class. If you have always wanted to try watercolor here is your chance. It's for the never-ever picked up a brush folks to see if they like it or for those who haven't painted in a gazillion years and can't remember if they liked it or not. All materials will be provided for a fee of \$6.00 and the class fee will be \$10.00. (There is no commitment to join the Art Club). You will go home with a simple painting ready to hang. For those who want to try a little more there will be a second class on Monday, January 8 where Joan will show you how to turn that simple painting into a "deathless work of art" (quoting Joan) for your grandkids to cherish! It's time for your kids to hang YOUR artwork! The fee for that class is \$10.00 with materials provided from the prior class.

The first Art Club meeting will be on Monday, January 15th at 1PM. Please plan on attending the meeting to hear what we have planned and to let us know what you would like to see in the future. The Art Club dues are \$5.00 and you can pay them at the meeting.

Look for the January issue of the Tribune for more information about the rest of the classes for the season. There will also be information about the Art Club on the Facebook pages: "TE Friends - For And About TE Only" and "Trailer Estates - Bradenton, Florida." We hope to see you at the Art Club. Everyone is very friendly, helpful, and encouraging, so don't worry if you have never painted or painted long ago and far away, we would love to have you come and paint with us!

Beautification Club

2024 is almost upon us and the Beautification Club is excited to announce this coming season's Fund Raisers. Monday, February 5 will be an evening of history as we share the history of the Park. On Monday, February 19, we are going Back to the 80s with dancing and music. In March, the Ladies Tea will be on Tuesday the 5th.

Put on that darling hat and share in a pot of tea and enjoy a guest speaker, who will be delightful. All tickets will be on sale starting the first Thursday in January at the post office from 10AM-2PM.

BC will also have the boutique open every Thursday with lots of new items this year. The BC boutique will also be open at all of the Hobby Club bazaars- check the Tribune for the dates. Beautification Club meetings are held the fourth Monday of each month starting in January in the Pelican Room at 3:30PM. Anyone is welcome to join in and help raise funds for Trailer Estates.

Men's Bible Study

We meet at 8AM on Fridays in Mark's Hall (stage end). We study God's Word, encourage one another and fellowship.

Calling All Buckeyes

Mark your calendars for the Ohio State luncheon on Tuesday, February 27, 2024.

We will have our first meeting for this season on Tuesday, February 14 at 1PM, in Mark's Hall to decide our menu. If you live here permanently or have returned for the season, please try to attend this meeting. If you are reading this, but have not made the trek back south, consider bringing something "made in Ohio" for a door prize. By the way, our menu WILL include edible BUCKEYES!

The luncheon is open to anyone in the park, so plan on a day of food and fun---OHIO style.

See you soon! OH-

CERT BREAKFAST TIME IS NEAR. The tickets will be the same as last year with the opportunity to buy all four events for \$35.00 per person, individual event tickets at \$10.00 each. The dates are as follows: January 8, February 12, March 11, and April 8. Watch for ticket selling dates.

Trailer Estates CERT is always welcoming HAM operators as that may be the only means of communication in a disaster should we lose cell or the 911 system. CERT will offer classes for ham licensing test preparation in the evenings on December 4, 7, 11, 14, and 15 if necessary. If you are interested in taking the class email originaltr@cs.com to register. The classes will be held in Trailer Estates.

Our team participated in the Cedar Hammock Open House. We estimate that over 200 cars showed up, and our team cooked over 400 hotdogs. This was a real community event with lots of stuff for our kids, and it is very educational for the adults, too. We will let you know when the time comes for next year's event.

YOUR COMMUNITY NEEDS YOU

We are fortunate to have gotten through another hurricane season without heavy hurricane damage; just a little wind one night. That's not always the case, so we need more on our team to serve Trailer Estates in a disaster. Once you receive the training, the time commitment is minimal for CERT, unless a disaster hits. The training is a FEMA curriculum and it is required. Watch our articles for the next training opportunity.

Visit our website or FEMA.gov for more information about our CERT. We meet the third Wednesday of the month in the small hall at 10:00 AM. You are always welcome.

Happy Holidays to All!

Make a Difference with Days for Girls

What if lack of feminine hygiene kept you in your room for days? No school for days. No income for days. We can change that! Days for Girls is a non-profit organization that makes reusable, sustainable, feminine hygiene products. We meet as a group on Tuesdays from 1-3PM, in the back of the Large Hall, starting January 9. We cut, trim, pin, press, and sew hygiene kits. We especially need seamstresses right now. The kits we create are sent to where they are needed throughout the world.

Join us and see just how much of a difference these hygiene solutions can make in assisting women and girls to break the cycle of poverty and live lives of dignity. Or join us because we have a lot of fun! We're in it for the girls!! If you are interested, call Cindy Bailey at 612-309-1058. To learn more about the program, go to www.daysforgirls.org.

Exercise Anyone?

Attention Trailer Estates residents. Did you know that our community offers fun ways to exercise and socialize? Aerobics is a free class open to the Trailer Estates residents and is offered five times per week. Morning classes are offered at 8AM on Tuesdays, Thursdays, and Saturdays in Mark's Hall. Evening classes are scheduled on Mondays and Thursdays beginning at 5:45 and are typically in the large hall.

Line Dance classes are on Tuesdays from 6PM to 8PM in the large hall (either the front or back of the hall). There is a \$3.00 fee for residents and \$5.00 fee for non-residents.

Please be advised that exercise classes may be cancelled, or the location of the class may be changed so check the Trailer Estates calendar on the website for the most up-to-date information. Additional exercise classes will be offered after the first of the year, so stay tuned.

Dance Fitness – Coming Soon!

Come join us for Dance Fitness, starting Wednesday, January 3, 2024. This class is low-impact and includes cardio, stretching, and toning. The class will be on Mondays and Wednesdays in the Large Hall, 12:15PM-1:15PM. It is open to everyone! \$3.00 for TE residents and \$5.00 for non-residents. For more information contact Diane at 734-223-9347.

TE Health & Welfare

Hello from the desk of Cindy O'Brien, Health and Welfare Trustee. I am so pleased to have this position.

If you have talked to me, you know that my husband passed three years ago, and I have worked hard getting stronger and happier. I like trying new things and meeting new people; I give thanks every day for a friend inviting me to Trailer Estates! I look forward to speaking to any resident who has ideas on ways we can improve our great programs that are already in place.

You don't have to be an expert to attend any activity, so come out and try a new class. We have so many great instructors, please take advantage of the programs. I'm particularly excited about the Art Club classes in December; I tried a class last year and I painted a water color picture in one class! Another great class is Chair Yoga which is great for anyone, including those with limited mobility. My Doctor says, "Motion is the Lotion." We have to keep moving to live a long and happy life. Please access www.trailerestates.com or our monthly Tribune for schedules.

I look forward to meeting you, and I hope you find the joy in life, also!

~Cindy OB

CLUBS & ORGANIZATIONS

Hobby Club

Hobby Club Bazaar dates for the season are December 2, 2023 and 2024 dates are January 6, February 3, and March 2. Come and see how creative our TE residents are. There will be baked goods, wood working items, sewed and knitted items, art work, and many other crafts for sale. Doors are open in the Large Hall from 8AM until noon.

The annual membership fee for vendors is \$10 and table cost, per bazaar, is \$10 (\$40 per season). Membership is open to residents and their guests. Non-members fee is \$20 per table. All merchandise for sale must be handmade or value added. Vendors cannot sell used items.

The white elephant tables will showcase all used and donated items. If you have any items that you want to donate you can contact Debbie Smrke at 941-243-3490. If you are a reader, there are a variety of books for sale.

New vendors are welcome. For more information, or to reserve your tables, please contact Laura Wood at woodlaura4@gmail.com or 941-799-2034.

The Hobby Club sponsors two events for residents who are in their 85th year and over. The cookie gift bag delivery is December 15 and a light luncheon in February. If you are aware of anyone who is turning 85 please contact Debbie (941-243-3490), so that they can be included in these events. Money for cookie bag gifts would be greatly appreciated, and if you want to donate you can contribute at the post office or at Bingo on December 1.

Thank you for your past contributions and for your support of the activities of the Hobby Club.

Horseshoe Club

The Horseshoe Club is one of the oldest clubs in Trailer Estates. We compete each year against other parks and clubs. We currently play against Hawaiian Island, Tripar, and Anna Marie Island. Not everyone plays in the competitive events. We play on Monday, Wednesday, and Friday with play starting at 8:30AM. However, you will see several early birds starting around 8AM. Play is open to men and women. We will give you instructions to learn and improve your game. Lessons are available by appointment, and can be at your convenience.

We enjoy the game of horseshoes, but more than anything, the fellowship and camaraderie are great. Horseshoes is a game of skill and thinking. It also gives you some exercise, without tearing up that treadmill. Come on down and check us out; you will be glad that you did. For additional information on Horseshoe Club activities, call Archie Canterbury at 810-240-4887 or Tim Kirkpatrick at 941-739-0006.

CLUBS & ORGANIZATIONS

Meditation/Stress Reduction Program

A meditation/stress reduction program has been offered in the park for several years. The program is for anyone interested in meditation—whether you are a beginner with no experience or an experienced meditator. For the beginner, it will be an opportunity to learn how to meditate, and for the experienced, it can be a time to “sit” with others and share their knowledge. The class is designed to be ongoing—you do not have to attend the first class to participate. The scope of the program will be mindfulness meditation; a method that is popular and easily learned. The program is nondenominational and meditations are done in silence.

The program will begin Monday, January 8, from 9AM – 10AM in the Pelican Room (in the activity center behind the pool). If you have any questions, feel free to call Jim Angerame at 585-690-6805.

Pickleball

As you are probably aware, Pickleball is the fastest growing sport in the nation. Fortunately, here in Trailer Estates we have a great facility for playing this sport. The Large Hall provides us with three courts where we can play any time of the year, no matter the weather conditions. People with allergies or other respiratory related ailments can play in our air-conditioned facility without fear of physical repercussions. We currently have around seventy paying members, not counting the thirty players who were in our beginners program last year. We have a great group of players at all skill levels, and our better players are wonderful mentors to those with lesser skills.

The playing schedule for advanced members and the schedule for beginners are posted on the bulletin board adjacent to the south entrance to the Large Hall. These schedules are also on the Trailer Estates website calendar. Please note that, at times, some of the playing days are superseded by special park events.

Hope you can join us for a great time of exercise and fellowship. For additional information call Jack Bell at 816-522-4061.

Share-A-Craft

Welcome back, SnowBirds! We are very glad to see everyone. Share-A-Craft is a service organization that is over 40 years old. We hope you will join us for any or all of our three activities-Workshop, Quilting, and Stitchery.

On Tuesdays, we meet at 9:30AM-11:30AM for Workshop to make the craft items that we sell at the Hobby Bazaars. All monies made are donated back to Trailer Estates to support other organizations and activities. For more information on Workshop contact Britta Voigt at 715-475-9807.

On Wednesday from 9:30AM-11:30AM and 1:30PM-3:30PM the Quilters gather to work on the beautiful quilt that is raffled off at the March Bazaar. For more information regarding Quilting, contact Carolyn Marra at 330-309-7498.

On Thursdays from 9:30AM-11:30AM Stitchery meets; the members work on their own needle work projects, get help with projects or teach/learn new crafts. For more information on Stitchery, contact Eileen Bohall at 941-807-6611 or Roxanne Ognibene True at 502-531-3260.

On Thursdays from 11AM-2PM, our members will be at our Post Office selling raffle tickets for the quilt and for a Christmas Gift basket full of hand crafted goodies.

The first Bazaar will be held on Saturday, December 2 from 8AM-12PM; our next business meeting will be held on Tuesday,

December 5, with our Christmas Luncheon to follow. If you aren't currently a member of Share-A-Craft we invite you to join us for the bargain price of \$2.00 for the first year and \$1.00 for each successive year. Try us, I'm pretty sure you will enjoy yourself.

Shuffleboard Club

A special welcome to all TE Shuffleboard players and would-be players who are arriving at Trailer Estates during the month of December. If you are not a shuffler – Welcome Back on behalf of all Club members and we hope you will give the game a try this season.

Fun Games:

Fun games are open to all players regardless of skill level and are played, just as the name suggests, FOR FUN. They are played every Tuesday, Thursday, and Saturday commencing at 1PM. A sign is posted at the entrance to the courts on game days which indicates that play will take place.

“Singles” games are played on Tuesdays and Thursdays and “doubles” on Saturday. (Doubles does not mean you need to bring a partner; it means you are playing partners with someone on the other end of the court.) Winners collect 5 cents from those who placed second on Tuesdays and Thursdays and 10 cents on Saturdays – the out-of-pocket losses are not excessive but bring some small change. Everything is provided except rubber-soled shoes, so be sure and wear yours. Plan on spending 2 hours at the courts.

Play starts promptly at 1PM, so please be on time. Remember – you will never have to wait for a court when you play at TE.

Club Membership Fees are now due and payable - \$5 per person

It is easy to join the Club; simply go to the clubhouse at the courts and look for a container holding small brown envelopes. It is located inside the building under the bulletin board on the north side. Fill in the outside of the envelope with the information requested. Insert your \$5 payment, seal the envelope, and put it in the container by means of the slot provided. In due course, your membership card will be placed on a holder on the outside of this container for you to keep for your records.

We depend on member volunteers for much of our court maintenance. Please be ready to assist when asked. With enough volunteers, the jobs are not onerous, without volunteers the jobs simply cannot be done appropriately and our wonderful facility will deteriorate.

2023-24 District and State Shuffleboard Club schedules are posted on bulletin and chalk boards at the courts.

We are trying something new this year. Our pancake breakfast will be on Wednesday, 12/13 in the large hall from 8AM – 10AM. Tickets are \$6.00 and will be sold daily the week before the event and at the door on the morning of the event.

December Schedule:

Dec. 3 – Holiday Potluck

Dec. 13 – **WEDNESDAY** - Pancake Breakfast 8AM – 10AM

Dec. 21 & 22 – District tournament –

Open Women Doubles/Open Men Doubles

Dec. 22 – District Amateur tournament - Draw

Please remember – the purpose of our Club is to encourage new members to take up the game, and in the process meet new people, benefit from moderate exercise, learn new skills, and most importantly, to HAVE FUN...

Wii Bowling

Ed Frearson, Judy Chaplin, and Janet Merchant are again organizing a Thursday Wii bowling league for TE residents. Our organizational meeting is Thursday, January 4, 2024 at 10AM at the beach pavilion. Please bring the e-mail address and phone number for yourself and your bowling partner, as we bowl in teams of two. We have some singles looking for bowling partners, so come, even if you don't have a bowling partner. Singles can also be on a list of substitutes who will fill in, if someone is unable to bowl on a certain Thursday.

Wii bowling will start Thursday, January 11, continuing through Thursday, March 21. It will be in the Pelican Room of the Activities Building, and Ed will post a schedule of matches and times. Usually most Wii bowling games are finished by noon. Likely our Wii bowling lunch will be the last Thursday of March on the 28th. This activity is free, fun, and open to all TE men and women. It's a good way to reconnect and to meet new people and make friends!!

Yoga at Trailer Estates

Among the many activities offered, Trailer Estates is unique among retirement communities in offering not only one, but two yoga programs—a traditional yoga class, plus a chair yoga program. The programs have been offered for 20 years and are taught by certified and experienced teachers. Both programs will improve your breathing, balance, strength, and flexibility. Yoga is also a weight bearing exercise that may build bone density and aid in the prevention of osteoporosis. There are also a variety of stress reduction techniques taught throughout the program.

The traditional yoga class is designed to be appropriate for beginners or experienced participants. One does not have to be an athlete to participate and the class is suitable for those at any level. The chair yoga class is designed for those who find it difficult to get up and down from the floor. Some movements are done standing but can be modified for those who prefer to sit. The chair acts as a tool for balance and aid in doing movements. The program offers much the same benefits as any yoga class.

The chair program begins in December and is on Wednesdays and Fridays, 9AM-10:15AM. The traditional class is Tuesdays and Thursdays from 9:15AM - 10:30AM, and it begins in January.

Verify times on bulletin boards and Channel 732.

Meet Your Neighbor

FORD GOTHAM

Would you like to get to know a decorated war veteran, avid swimmer, competitive shuffler, and all-around nice guy? Read on....

Ford Gotham, (Sonny to his family) was born August 13, 1925 in Watertown, NY, near where his English ancestors had settled and farmed. All was well until the 1929 stock market crash when his father lost his job, as did so many others. The family moved several times until Ford's parents found work in a paper mill. When his father had a serious car accident, he again lost his job. At times, he resorted to selling toilet paper door-to-door to put food on the table. Times were hard, but Ford didn't mind the one room schoolhouse and the family outhouse. As a teen, Ford delivered newspapers and packed groceries at the local market. In his spare time, he assembled models, mostly of planes, which led to his yearning to fly.

On Ford's eighteenth birthday in 1943, he volunteered to join the Army Air Force, took the Army Airforce Cadet Test, and scored very high. He was called to duty on the second day of his senior year. After completing Aviation Cadet School, where he graduated as a Second Lieutenant, Ford had further training in bombing and navigation. He learned Celestial Navigation (no GPS!) and realized its importance when two training planes crashed losing all aboard. Unfortunately, these were the first of many losses in his military career. On September 2, 1945, while waiting for orders, he learned the war was over. He was 20 years old and disappointed he couldn't use his training. When asked if he wanted to sign up for the reserves, he admits he didn't really understand what that meant, but said, "Sure, why not?"

Upon returning home, Ford found a job at the New York Telephone Company earning 55 cents an hour. He started out by going to people's homes and replacing the old crank phones with the new battery-operated phones. Ford worked hard and advanced to supervisor in the company, staying until his retirement in 1985.

Ford met his future wife, Delores, at the local skating rink, and they tied the knot in 1946. They settled in Watertown on Ward Street which was just around the corner from Gotham (long "o") Street named after Ford's ancestors. (Ford was proud to show me the house on Google Earth!) They had a busy life as they raised five children in that house. Eventually, they bought a cottage on Lake Ontario where they could enjoy their summers.

In 1951, at the start of the Korean War, Ford was called back to active duty. He packed up the family and towed a trailer to Texas for the family to live in while he trained. Ford served as a Navigator on a B-29. They would take off from Japan and make the 12-hour trip to Korea and back. Ford said the B-29 "was not the best airplane." It was slow and heavy, especially when carrying 10 tons of bombs and 15 tons of fuel. In six months, Ford flew 25 missions, often drawing heavy fire from radar-controlled artillery manned by Russian soldiers. Sadly, many of Ford's friends did not return from their missions and he remembers them fondly, to this day.

Delores and Ford had wonderful years of travel and family time before her passing in 1999. In his sorrow, Ford reached out to friends. One time, he was shown a video of "Life on the Gulf." Sight unseen, Ford purchased a home in Bradenton, Florida. The next move would be to Trailer Estates! He closed on his mobile home on 9/11 (2001) and would be a snowbird for 16 years, before staying all year. The only downside was he couldn't bring his Amazon Parrot "Cody" who had been with him many years.

If you were to ask Ford's advice for a good life in your later years, he would say, "Keep moving." Even while visiting, he would get up occasionally to walk in the living room. At 97 he does 1000 steps a day. He's sorry he isn't swimming anymore; following retirement, he swam one mile a day, three days a week, and only stopped a few years ago. In TE he has enjoyed all the activities, especially shuffleboard and canoeing. Unfortunately, Ford has had some health challenges recently which require infusions that he administers himself; something not many of us could do. Ford is grateful for his friend Emma Santostefano, a wonderful companion who lives in TE. She stops by to help Ford, does the driving, and they both enjoy the same TV programs.

So that is his story: a life well-lived with a perpetual positive attitude. It has been a pleasure to get to know him.

An Update About Your Vote by Mail Request

Hello Manatee County Voter,

Over the past 20 years voting by mail (VBM) has become a popular and common way to cast a ballot. During the 2022 General Election, 44 percent of Manatee County voters cast their ballots by mail as opposed to voting in person at an early voting location or at a designated precinct on Election Day.

Voting by mail has gained popularity because it is a safe and convenient way to cast your ballot. It allows voters to avoid potential Election Day obstacles like long lines, bad weather or work delays. Voting by mail also gives voters more time to consider issues and candidates with their ballot in hand, rather than feeling rushed at the polling place.

For many years, Manatee County voters who have voted by mail have become accustomed to automatically receiving a ballot in the mail. When enrolling in our VBM directory, you were opting in to receiving a mail ballot for future elections, with the understanding that you could cast a mail ballot or vote in person if you ever chose to.

However, that process is changing as a result of a new state law.

In 2021 the Florida Legislature passed **SB 90** which "limits the duration of requests for vote-by-mail ballots to all elections through the end of the calendar year of the next regularly scheduled general election."

When that bill became law, all vote by mail requests that local elections offices around the state had on record expired in 2022. Now Florida voters will need to make a new request to receive a VBM ballot for 2024 and following each General Election every two years. While the new process may seem like an inconvenience, it will ensure that voters stay regularly engaged in their voting preferences and it will help our office keep more accurate records of local voters' address information.

The good news is that requesting a VBM ballot remains a simple and safe process. You can make your VBM request by visiting www.votemanatee.gov/VBM or by calling our office at (941) 741-3823 and pressing 1. The VBM request requires the voter to provide their name, date of birth and either last four digits of their social security number or a valid Florida driver's license or Florida identification card. This fall, those who have requested a mail ballot in the past can expect to see a notice in either your mailbox or email inbox explaining these changes and how to go about requesting a new VBM ballot. We are also attempting to reach voters with this news via the news media, social media and through public speaking engagements.

We are making this effort to inform voters of an important update they may not have already known about and in hopes that many will request a VBM ballot before it becomes too late to do so, leaving people the option only to vote in person at an early voting location or at a designated precinct on Election Day.

Thank you for understanding and for your cooperation in the new process. As always, if you have any questions about your Vote By Mail ballot, or your voter registration, please contact us at (941) 741-3823, by emailing Info@VoteManatee.gov, or by visiting www.VoteManatee.gov.

Sincerely,

Mike Bennett

Manatee County Supervisor of Elections

Jokes Of The Month

The wife and I took a long, leisurely drive out to the country and pulled over to fill up our car's gas tank and tires. She was surprised to see that the station had a fee to fill the tires and asked me, "Why in the world do they charge for AIR?!"

I responded, "Inflation."

Three friends stranded on a deserted island find a magic lamp. Inside it is a genie who agrees to grant each friend one wish.

"I want to go home," says the first friend. The genie grants her wish.

"I want to go home, too," says the second friend. And the genie sends him back home.

"I'm lonely," says the third friend. "I sure wish my friends were back here."

Charter Communications. Programming may vary. Channels, Tiers and Packaging subject to change. Services not available in all areas. Charter issued digital receiver or CableCARD required to view programming channels, except for Basic Service viewable with customer owned TV equipped with digital QAM Tuner subject to future service changes when a market transitions to All Digital. Charter issued digital receiver required to view PPV and On Demand programming (where available). HD capable equipment required to view HD programming (where available). All programming may not be available to CableCARD or Digital Terminal Adapter customers. All service levels may contain channels with some R-rated programming, which can be blocked using the Parental Control feature on your on-screen program guide.

In a switched digital market, due to system technology enhancements access to certain digital channels will require a digital receiver, as HDTVs & digital QAM tuners equipped with CableCARDs or TVs equipped with Digital Terminal Adapter's cannot access certain digital channels requiring two-way communication (e.g., PPV & On Demand programming). CableCARD customers with TiVo equipment will also need a Tuning Adapter for access to such digital channels.

SAP - Second Audio Programming (Spanish Language when available) is offered on analog Basic Service & Expanded Service channels. Check your interactive program guide for further details. Channel numbers listed are for either analog cable-ready TV sets or Charter digital receivers. Customers using a QAM tuner TV or other personal QAM tuner device, not connected to a digital receiver, must activate the Auto Program feature, as described in the TV/device's Owner's Manual, to receive some digital services.
