The timeframe in which the violation(s) must be corrected will generally range from 3-30 days depending on the nature of the violation. The violations will be sent to the property address on file with the District and/or County Tax Rolls.

If no contact has been made by the owner, or the violation has not been corrected within the specified timeframe, the Park Manager/Trustee will follow up with a letter outlining the violation as a 2nd notice. may become a lien against the property. At Trailer Estates' fiscal year end, a statement will be sent to the owner at the property address reflecting the total amount remaining due including accrued interest.

6. At this point the Property may go to the Enforcement Committee for a properly noticed hearing. The Hearing will determine what (if any) Fines & Suspensions are warranted for the violations and then sent onward to the TE Board of Trustees for their ye or nay.

Non-Property Violation Procedure

1. Upon receipt of complaint or observation of possible violation, Trustee and/or Park Manager will research issues as described or observed. If such violation appears to exist, detailed findings of the research will be placed in the file. Any Digital photo(s) to show and document issues will be taken, printed and dated, and attached to report (file). A written notice will be sent out and will be considered as 1st Notice in notifying of a violation. The timeframe in which the violation(s) must be corrected will generally range from 3-30 days depending on the nature of the violation. The violations will be sent to the property address on file with the District and/or County Tax Rolls.
2. If no contact has been made by the owner, or the violation has not been corrected within the specified timeframe, the Park Manager/Trustee will follow up with a letter outlining the violation as a 2nd notice. This letter will generally give a shorter timeframe to correct the violation and warn that if not corrected further action may be required.
