RECREATIONAL VEHICLE, BOAT & TRAILER
STORAGE SPACE LEASE PP23**

RULES/LEASE

1. Lessee must provide a current address, phone number and a current vehicle and/or boat registration on file (golf carts excluded) at the T.E. office at all times.
2. Storage in spaces shall be limited to boat on trailer, boat trailer, motor home, travel trailer, vehicle towing trailer, utility trailer storage trailer, stored, cars, trucks, or golf carts. Stored items cannot exceed lot size rented.
3. Sheds or other buildings are not permitted on storage spaces.
4. All spaces must be rented through the Trailer Estates office.
5. Spaces may not be loaned or sublet. All registration numbers on boats and license plates on trailers and motor homes must match documents on file at the Trailer Estates office for that leased lot number. Vehicles, boats, etc., not owned by Lessee will be removed at the owner's expense. Violators of any lease provisions will be given a 30-day notice to remedy. If not corrected within 30 days, violators will lose their space rental and will not receive a refund of any rent paid.
6. Commercial use of the storage lot by a storage lot renter is prohibited.
7. A storage space lease application must be completed and signed upon the acceptance of an offer of a storage space.
8. Rent will be paid in advance from the first of the month in which the space is rented.
9. Rents remaining unpaid for fifteen (15) days beyond the expiration date of any rental term shall incur a late charge of 10 percent (10%) of the annual lot rental. After 30 days, the stored unit will be removed at the owner's expense.
10. Spaces will be assigned on a "first come, first served" basis from the waiting list maintained at the park office. When a space is offered to someone on the waiting list, he or she will be given two full working days, after the day of offer, in which to accept or reject the offer. If the offer is accepted, the written lease application must be submitted and a year's lot rental, from the beginning of the month of Trailer Estates offer, must be paid at the Trailer Estates office within that two days. Trailer Estates will then give the applicant one month to present documentation of the required current licensing of vehicles and registration of boats to be parked or stored. In the intervening time, no item may be stored on the lot. If applicant is unable to present the required documentation within that one month grace period, Trailer Estates will prorate and refund any lot rental fee for the months remaining after the month in which applicant notifies Trailer Estates of this inability to meet all lease requirements. If a person on the waiting list rejects the offer in writing within the above two full working days, that person will remain at the top of the waiting list. A person not responding in writing by the deadline will be removed from the waiting list. Faxes, e-mails, and bank transfers or wires will be accepted. Trailer Estates make a good faith effort to contact the person at the top of the waiting list using the phone numbers provided on the list. If that person cannot be reached, he or she will retain that position on the waiting list, but the next person will be offered the available space.
11. Lessee may terminate his or her Full Year lease at any time and will receive a prorated refund of rent already paid for any unused full months left on the lease.
12. Spaces leased under a six month agreement will not provide a refund if item is removed prior to the lease term.
13. The District may change the spaces rented to an individual in its sole discretion.
14. Trailer Estates Park & Recreation District shall not be financially responsible for any injuries to Lessee or their agents or for damages or theft of stored property.
15. Lessee assumes all responsibility for damages or injuries caused by the Lessee or his stored vehicles.
16. Nothing may be stored or left lying on the ground. Lessee shall keep the rented space clear of debris and free of safety hazards. Blocks needed for stored boats must be neatly stacked along fence when not in use.

Space markers and lot numbers must not be moved.
