

Trailer Estates Fire Department

Auxiliary Resale Shop

The TE Fire Department Auxiliary Resale Shop is located at the rear of the Fire Station. The Auxiliary Shop sells items that have been donated by Trailer Estates residents. It is operated by volunteers who accept, price and sell a variety of items. All proceeds go directly to the fire department for unexpected costs and to support the fire and emergency services. Arrangements can be made to have your donation picked up. The Auxiliary phone number is 941-758-9236. Certain items are not accepted for resale by the Auxiliary. Contact an Auxiliary member for details.

The resale shop is open to the public October through April on Thursdays and Saturdays from 8:30 – 11:00 a.m. For the months of May and June the store is only open the first and third Saturday from 8:30 – 11:00 a.m. The resale shop is closed to the public during the month of July, August & September. More information can be found at tefcd.com and click on the Auxiliary tab.

**Volunteers are always
welcome to join our ranks!**
